## VI Professional project / Internship / Experience

Throughout the entire period of their studies at CREA, students have the choice between 3 options :

1. **Defining his/her professional project to develop** : if a student has a project he wants to develop during the entire period of his/her studies, he/she will provide the materials linked with each module and will have a close follow-up with the Head of the Master.
2. **Getting an internship**: students benefit from internship agreements for 5 months minimum and up to 8 months maximum within the same company. The search for an internship falls under the active responsibility of students, with ongoing support from the “Pôle Stages & Entreprises” at CREA. No internship agreement can be issued by CREA if the student has not yet started the course, i.e. the first day when classes start.
3. **Having an existing position**: if a student is employed, he/she will be required to provide a proof from his/her current employer.

## **“MBA” admission regulations**

*Article 1* : You can obtain the admission contract either on the school's website, during a private meeting or during an information session.

*Article 2* : The candidate must fill in the admission contract in order to attend the evaluation interview. He/she will be advised of the date via email. If the candidate is unable to attend, he/she must contact CREA immediately. If the student fails to show up at the evaluation interview, the enrolment fees are not reimbursed.

*Article 3* : To receive the MBA degree at the end of the course the candidate must hold a Bachelor degree or a qualification recognized as equivalent.

*Article 4* : The admission contract and its attachments must be sent by the deadline stipulated in order to guarantee access to the relevant course session. The entrance interview will only be deemed approved by the payment of the enrolment fee.

*Article 5* : The decision following the evaluation interview is communicated to the candidate within 20 working days. The decision is firm and irrevocable. In case of refusal, the enrolment fees are refunded within 4 weeks.

*Article 6* : The candidate can be admitted without conditions, or under the following conditions:

- fulfil a missing prerequisite
- attend another evaluation interview
- have an interview with another member of management

*Article 7* : A confirmed student who decides to cancel his enrolment, he must communicate his decision by a registered letter sent to CREA. The conditions for a cancellation of registration are mentioned in the admission contract.

*Article 8* : If a student notices an orientation error in his MBA program choice, a change can only be made under the following conditions, within 2 weeks after the start of the course:

The student must present clear reasons to the management of the Master course he/she wants to join.

The change may be approved provided that the occupancy rate of the requested Master allows it.

*Article 9* : If a student repeats a year, the extra academic year will not be invoiced (apart from travel costs). The student is required to continue paying tuition fees according to the methods and due dates indicated in the admission contract signed by the different parties. The student will therefore have paid the entire tuition fee amount a year before the end of his/her course.

*Article 10* : The Diploma will be delivered to the student only once all tuition fees have been paid.

*Article 11* : Any student who takes steps to apply for a scholarship must read and sign CREA's "scholarship application" document. The relevant instructions must be strictly adhered to. CREA may, without being obliged to, help the student in this process.

*Article 12* : All disputes are handled by CREA's legal department and no right of appeal is possible regarding the admission process.
