In case of termination at the wrong time, particularly in the course of the semester, the student must pay the tuition fees for the semester in progress.

Failing to obtain the bachelor, federal brevet (certificate) or equivalent

Any student who passes his/her entrance interview at CREA but is in the final year at a university, specialist higher education school or another equivalent establishment, will be required to first obtain his/her bachelor, federal brevet (certificate) or equivalent to be admitted at CREA.

If the student is not graduated, he/she has the option to postpone his/her enrolment at CREA to the following year, without having to re-sit the entrance interview. To do so, the student must :

- Provide a copy of his/her academic record showing the final marks and confirming the fail.
- Complete a new admission contract form for the following course (2022-2023 session), as soon as it will be available (as of March 2021).
- Pay the 1st quarter tuition fees of CHF 4'250.- by 30.09.20.
- This amount will be credited against the tuition costs to pay.
- The new admission contract for the next year be faith.

The student who does not want to join CREA, and continue studies, will be refunded the amount of the tuition fees already paid to CREA except the enrolment fee of CHF 300.-. The student will have to provide a copy of his/her academic record showing the final marks and confirming the fail.

Postponement of the admission contract

If the student would like to postpone his/her enrolment at CREA to the following year, without having to re-sit the entrance interview. To do so, the student must :

- Provide a copy of his/her academic record showing the final marks and confirming the fail.
- Complete a new admission contract form for the following course (2022-2023 session), as soon as it will be available (as of March 2021).
- Pay the 1st quarter tuition fees of CHF 4'250.- by 30.09.20.
- This amount will be credited against the tuition costs to pay.
- The new admission contract for the next year be faith.

VI Professional project / Internship / Experience

Throughout the entire period of their studies at CREA, students have the choice between 3 options :

1. **Defining his/her professional project to develop** : if a student has a project he wants to develop during the entire period of his/her studies, he/she will provide the materials linked with each module and will have a close follow-up with the Head of the Master.
2. **Getting an internship**: students benefit from internship agreements for 5 months minimum and up to 8 months maximum within the same company. The search for an internship falls under the active responsibility of students, with ongoing support from the “Pôle Stages & Entreprises” at CREA. No internship agreement can be issued by CREA if the student has not yet started the course, i.e. the first day when classes start.
3. **Having an existing position**: if a student is employed, he/she will be required to provide a proof from his/her current employer.

“MBA” admission regulations

Article 1 : You can obtain the admission contract either on the school's website, during a private meeting or during an information session.

Article 2 : The candidate must fill in the admission contract in order to attend the evaluation interview. He/she will be advised of the date via email. If the candidate is unable to attend, he/she must contact CREA immediately. If the student fails to show up at the evaluation interview, the enrolment fees are not reimbursed.

Article 3 : To receive the MBA degree at the end of the course the candidate must hold a Bachelor degree or a qualification recognized as equivalent.

Article 4 : The admission contract and its attachments must be sent by the deadline stipulated in order to guarantee access to the relevant course session. The entrance interview will only be deemed approved by the payment of the enrolment fee.

Article 5 : The decision following the evaluation interview is communicated to the candidate within 20 working days. The decision is firm and irrevocable. In case of refusal, the enrolment fees are refunded within 4 weeks.

Article 6 : The candidate can be admitted without conditions, or under the following conditions:

- fulfil a missing prerequisite
- attend another evaluation interview
- have an interview with another member of management

Article 7 : A confirmed student who decides to cancel his enrolment, he must communicate his decision by a registered letter sent to CREA. The conditions for a cancellation of registration are mentioned in the admission contract.

Article 8 : If a student notices an orientation error in his MBA program choice, a change can only be made under the following conditions, within 2 weeks after the start of the course:

The student must present clear reasons to the management of the Master course he/she wants to join.

The change may be approved provided that the occupancy rate of the requested Master allows it.

Article 9 : In case of postponement of the admission contract, the student commit to respect the process and pay the amount owed.

Article 10 : If a student repeats a year, the extra academic year will not be invoiced (apart from travel costs). The student is required to continue paying tuition fees according to the methods and due dates indicated in the admission contract signed by the different parties. The student will therefore have paid the entire tuition fee amount a year before the end of his/her course.

Article 11 : The Diploma will be delivered to the student only once all tuition fees have been paid.

Article 12 : Any student who takes steps to apply for a scholarship must read and sign CREA's "scholarship application" document. The relevant instructions must be strictly adhered to. CREA may, without being obliged to, help the student in this process and pay the potential amount.

Article 13 : All disputes are handled by CREA's legal department and no right of appeal is possible regarding the admission process.
